

**UNIGLOBE Meetings and Events**, a division of UNIGLOBE Travel, specializes in meetings, incentives, conferences and exhibitions for corporations that are wanting creative options, service guarantees, and value-based pricing.

You can fully depend on us! Our global network, of exceptional local experts assures that your events are well organized, generating unique experiences yielding cost savings, and most of all achieving great satisfaction for your company and all attendees.

**Global Capabilities, Local Knowledge!**

With global governance, The UNIGLOBE organization with more than 700 locations in more than 60 countries across the Americas, Europe, Middle East, Africa, and Asia-Pacific operates under a globally recognized brand, common systems, and high quality services standards. UNIGLOBE Travel International has its global headquarters in Vancouver, B.C., Canada with an annual system-wide sales volume of over US\$ 5.0 billion.

Our vision is to strive to be the best that we can be every day and service our customers both external and internal with high integrity, initiative and dependability! That is the **UNIGLOBE Way!**

**WHY WORK WITH US**

**Diversified Knowledge:**

We have both global and local knowledge and expertise! This means you can be certain that we will find the right venue for the right price and create a memorable and successful event for you organization.

**Service Guarantees:**

We provide you with a set of Service Guarantees with great emphasis on your needs to minimize the risks associated with your events.

**Flexibility:**

Every event has a special purpose and every destination is different with regards to cultures, policies, payments, and requirements. We understand how important flexibility is in handling and synchronizing these divergences.

**Cost-Savings:**

We offer a variety of business models that are designed to achieve a perfect balance between the values you enjoy and the price you pay. Our value based pricing models present great cost-saving opportunities and allow to control your spending.

**Customer-focused Approach:**

Our well-trained Event Architects pay close attention to all your needs to ensure that each event reaches its maximum potential and delivers the expected values for the participants and your company alike.

**Dependability:**

We believe that the mark of true competitive excellence is drawn from the hearts and minds of the people who breathe life into our business. Our systems and technology are important, but the commitment, integrity and personal initiative of our people using these tools that ultimately delivers excellence – the kind, our competitors can neither match nor imitate.

# OUR SERVICES

We pride ourselves on our ability to provide you with a Global and highly Multicultural Network with a customer-centered approach, so that every event you outsource to us, be it a board meeting, a sales incentive event, or a business convention fulfils your needs, meets your requirements, and also exceeds your expectations.
